## SURGEONS TOLD APPENDICITIS IS SCANDALOUS

Death Rate In The  
U. S. is Highest  
in the World

By STEPHEN J. McDONOUGH  
Associated Press Science Writer  
Atlanta, March 6.—The death rate from appendicitis was declared today to be as great as a national calamity as the death rate from automobile accidents.

In a discussion before the southern surgical congress here, Dr. Mont H. Reed of the University of Cincinnati declared the appendicitis death rate from appendicitis is "a national disaster" and that the only way to combat it is through the use of medical knowledge and public education measures available.

The annual toll from this disease is estimated at 25,000 and 30,000 people, and the nation's death rate from appendicitis is the highest of any civilized country in the world.

Addressing more than 600 surgeons from southern, southern and many northern states at the congress, Dr. Reed said that the annual death rate from appendicitis could be prevented.

Apparently the problem of children's appendicitis death rate must be dropped into the laps of school children, he said. "The only way to combat it is through the use of medical knowledge and public education measures available."

Along with their ABC's these children have been taught through lectures, attacks on their school books, and the use of the radio, that the abdomen should never be treated with purgatives and that the only way to combat it is through the use of medical knowledge and public education measures available.

Dr. Reed added that members of the medical profession must be made more thoroughly to recognize the signs and symptoms of appendicitis earlier and more thoroughly to contribute their share to reducing the death rate from the disease.

## OUR BOARDING HOUSE

ESQ. WOMAN! I HAVE MET WILD BEASTS OF THE JUNGLE FACE TO FACE AND NEVER QUAILED, BUT WHEN A MILLIONAIRE UNCLE GIVES A FORTUNE TO LEAVE A PARK AND LEAVES HIS OWN FLESH AND BLOOD FEELINGS EVEN A HOOPLE IS RENDERED HORSE DE COMBAT—BUT SPIT!—HA!—IT MAKES ME PAINT TO THINK OF IT!

LIKE WINE IN A BOTTLE, YOUR VOICE IMPROVES IN BED! YOU WAKE ME UP YELLING LIKE A FISH PEDDLER AND THIS MALADY HASN'T DAMMED YOUR APPETITE EITHER—YOU'VE HAD TWO HELPINGS OF HAM AND EGGS! THIS HOUSE HAS GONE ON LONG ENOUGH—IT'S TIME TO GO!—DOCTOR!

# DOLLAR-A-DAY PENSION BILL IS INTRODUCED

Author Says State Pays Half and U. S. the Other Half

By DON F. CHAMBERLAIN  
Sponsored, Ill. March 7.—(UPI)—A bill to provide a dollar-a-day pension for the aged was introduced in the Illinois general assembly today.

The measure was introduced by Rep. Dennis J. Collins, D-Dubuque, who said that he had been inspired by the federal bill introduced in the United States house of representatives by Rep. Charles McNary, D-Ind., which provides for a dollar-a-day pension for the aged.

Collins said the measure provides an additional appropriation of \$10,000,000 for the state and \$10,000,000 for the federal government. He said the measure would provide a pension of \$100 a year for the aged, which would be paid in two installments of \$50 each.

## THE BEER that Had to Happen!

PROGRESS IN BREWING was certain to find that combination of Natural Beer ingredients that would yield the most perfect beer flavor, and yet be free from those features that cause beer to be overweight and other things that may have bothered you.

After five years of post-repeal brewing, much of the Public was still waiting for that Complete Quality, which oceans of printers' ink and thousands of smart slogans have failed to make real.

By patiently blending Natural Ingredients, at last we bring you a Truly Fine Beer with NO NUGS, NO CHOCOLATE, NO FATTENING STUFFS used in the brewing. Natural Brew's... STERLING Filter.

YOU will enjoy the new STERLING for its own Flavor—and you can doubly enjoy it because of the knowledge that beer's worst enemies are eliminated and that it is actually lower in calories than most foods you eat.

Try STERLING now. In Bottles. In Cans. At the Best Places.
